PART 1 / 179 CUES

0:00:00 - 0:09:59

00:00:29	Huntrix!
00:00:33	Huntrix!
00:00:45	Huntrix!
00:00:46	<i>The world will know you as pop stars,</i>
00:00:49	<i>but you will be much more than that.</i>
00:00:52	<i>You will be Hunters.</i>
00:01:02	<i>Demons have always haunted our world,</i>
00:01:07	stealing our souls and channeling strength back to their king, Gwi-Ma.
00:01:14	<i>Until heroes arose to defend us.</i>
00:01:18	Born with voices that could drive back the darkness.
00:01:22	<i>Singing songs of courage and hope.</i>
00:01:26	<i>But Hunters are more than warriors.</i>
00:01:32	Our music ignites the soul and brings people together.
00:01:36	<i>With this connection,</i>
00:01:38	the first Hunters created a shield to protect our world,
00:01:42	<i>the Honmoon.</i>
00:01:49	<i>Every generation,</i>
00:01:50	a new trio of Hunters is chosen to fulfill our ultimate duty.
00:01:56	<i>A barrier so strong it is impenetrable,</i>
00:01:59	that will keep demons and Gwi-Ma from our world forever,
00:02:03	<i>the Golden Honmoon.</i>
00:02:06	And now, that duty falls to you.
00:02:09	That victory is within your reach.
00:02:12	It is your voices,
00:02:14	your song, that will create the Golden Honmoon.
00:02:18	Yes, Celine.
00:02:23	Let's go, Huntrix!

00:02:27	We love Huntrix!
00:02:29	Mira's my favorite. She's the visual and lead dancer.
00:02:32	Nobody can move like Mira.
00:02:34	<i>She's the black sheep of her family.</i>
00:02:36	Even though she's so cool.
00:02:37	Who else could wear a sleeping bag to the Met Gala?
00:02:40	- She's our role model. - She's the best. Love her.
00:02:43	- We're here for Zoey! - The rapper and lyricist.
00:02:46	<i>She grew up in America.</i>
00:02:48	<i>Somewhere called Burbank, USA.</i>
00:02:50	She's the cutest maknae.
00:02:52	<i>But when she raps, she goes hard.</i>
00:02:53	She gets real scary. So scary, like, "You better watch out."
00:02:57	We love Rumi!
00:02:58	- She's pop-star royalty. - Uh-huh!
00:02:59	Her mom, a Sunlight Sister, died when she was a baby.
00:03:02	But Celine raised her, and built Huntrix around her.
00:03:05	Rumi's voice is just incredible. Like...
00:03:07	It brings us to tears!
00:03:10	They're taking a break, and they need it, but we're gonna miss them so much!
00:03:24	Everyone look alive!
00:03:25	All right. Looking good over there. Okay. Ready? Ready. But where are the girls?
00:03:30	What? What? Where are they going?
00:03:33	Okay, this is our biggest show yet.
00:03:36	The most songs.
00:03:37	The most moves.

00:04:31	That's so sweet.
00:04:33	<i>Yo! I just got this!</i>
00:04:35	- Uh... - Sick.
00:04:36	<i>Gimme that! Why are you so late?</i>
00:04:38	- Late? - Fifty thousand fans are waiting for you.
00:04:42	<i>They made cute signs and everything.</i>
00:04:44	<i>How can you be late? I wish you were here.</i>
00:04:47	Keep your shirt on. We'll be there in three.
00:04:50	I didn't even get to finish my ramyeon!
00:04:52	Why do they always interrupt our snacking?
00:04:55	They will face my wrath!
00:04:57	- Um, excuse me? - Please take your seat.
00:04:59	We don't have time. You're a demon, right?
00:05:01	What do you mean?
00:05:02	You're smiling all weird, watering plants with coffee,
00:05:05	and those guys?

00:10:30	I'm here to help you.
00:10:31	It's time for a new strategy.

00:17:51	My dad was a demon?
00:17:53	You're not one of them, Rumi. You're a Hunter, like your mother was.
00:17:57	When the Honmoon is sealed, all demons will be gone from this world.
00:18:01	And so will your patterns.
00:18:03	- So these will be gone? - Yes.
00:18:06	Those will be gone.
00:18:11	You always say no, Rumi.

00:18:13	You're so modest. It's just the bathhouse.
00:18:15	Maybe some other time. You guys go ahead.
00:18:18	- Every time. - Mm-hm.
00:18:22	Maybe they'll understand.
00:18:24	No, Rumi.
00:18:25	Nothing can change until your patterns are gone.
00:18:43	<i>No more hiding</i>
00:18:45	<i>I'll be shining</i>
00:18:47	<i>Like I'm born to be!</i>
00:18:51	<i>'Cause we are Hunters, voices strong</i>
00:18:55	<i>And I know I believe!</i>
00:19:03	How am I supposed to fix the world,
00:19:07	fix me, when I don't have my voice?
00:19:11	Why now, when I'm so close?
00:19:17	Why?
00:19:18	Why?!
00:19:26	<i>We are Hunters, voices strong</i>
00:19:44	I... I'm sorry about the show.
00:19:46	Rumi, it's okay. I'm sure everything will be fine.
00:19:49	Bobby can handle it.
00:19:51	- Hi, Bobby! - Girls, I can't handle this!
00:19:54	There's thousands of disappointed fans, and the network is losing their minds.
00:19:58	Okay, this is why you pay me 3%. Okay, back off!

PART 3 / 198 CUES

0:20:00 - 0:29:59

00:20:01	<i>My girls will sing when they're ready.</i>
00:20:05	It's okay. We can reschedule another live show within days.
00:20:08	I... I don't know if that's going to be possible.
00:20:11	My voice, it's in trouble.
00:20:13	Wait, in trouble?
00:20:15	Then why did you push up the "Golden" release?

00:20:17	Because we're so close, and it's so important.
00:20:23	Okay, how do we handle this?
00:20:25	What do we tell the fans? Maybe we should call Celine?
00:20:27	We know what she'd say, Zoey.
00:20:29	Oh, right.
00:20:30	"We are Hunters. Voices strong. Your faults and fears must never be seen."
00:20:35	Whoa.
00:20:37	- You sound exactly like her. - Yeah, that's how she says it.
00:20:40	- No. We gotta hide it and fix it. - For sure. We have to hide it. Mm-hm.
00:20:43	Rumi, why don't we take a break? We'll skip the Idol Awards this year and...
00:20:47	No. No way.
00:20:49	It's our most important show.
00:20:50	It's when we strengthen the Honmoon for the entire year.
00:20:53	We can't skip it.
00:20:54	We just can't.
00:20:56	Not when I'm so close.
00:21:00	Hey, we'll get through this.
00:21:01	We can get through anything. Together.
00:21:05	Okay. We have two weeks to fix Rumi's voice. Any ideas?
00:21:08	I do have one idea.
00:21:10	Just one?
00:21:12	Actually, 57, but let's start with my favorite.
00:21:14	Don't worry. It's totally legit.
00:21:17	He's got this special tonic.
00:21:19	Apparently, it can heal anything from sore throats to relationships.
00:21:23	Ssh! Quietly, Zoey.
00:21:24	- Why are there so many people today? - Down that alleyway.
00:21:27	Free concert? It's at noon.
00:21:28	Who are the Saja Boys?
00:21:31	Yep, about as legit as I expected.
00:21:34	Earthy and her by. Smells legit to me.

00:21:37	- Yay! That's the spirit! - Hurry, before someone sees us.
00:21:44	Huh?
00:21:48	Eh?!
00:21:49	Rumi Nim.Sit. Sit.
00:21:52	You need no introduction. So, a problem with your voice.
00:21:57	Yes. So we need one of your awesome tonics.
00:21:59	Something that will work super fast.
00:22:01	Okay, let me see.
00:22:03	- Ah! - Uh-uh-uh.
00:22:05	In order to heal a part, we must understand the whole.
00:22:14	- Uh... - I see.
00:22:16	I see...
00:22:19	No. Actually, I don't see. Very strange. You have lots of walls up.
00:22:25	Whoa! He's so good, right?
00:22:26	So many walls.
00:22:29	Walls? I don't have walls.
00:22:31	Uh, yeah, you do. He is kind of good.
00:22:33	- I'm just trying to stay focused. - Hm...
00:22:35	Focus is good, but focusing on one part leads to ignoring other parts,
00:22:40	making you separated, isolated.
00:22:42	- Ooh! Emotionally closed off? - Yes! Yes!
00:22:44	She's also a workaholic, doesn't know how to relax.
00:22:47	I know how to relax!
00:22:48	I bet she refuses to go to the bathhouse.
00:22:50	Oh my gosh, yes!
00:22:52	- How did you even... - Dude, we've been trying to take her...
00:22:55	Forever!
00:22:57	How is this helpful?
00:22:58	It's helping me a lot.
00:23:00	I can't believe you got all that wisdom just from looking at her.

00:23:03	Hm. I see...
00:23:05	Wait, why are you looking at me?
00:23:07	Eagerness to please. Maybe a little too eager.
00:23:11	What? I'm not like that.
00:23:13	- You'd tell me if I was like that, right? - Um...
00:23:16	Hm...
00:23:17	I see...
00:23:24	- Yeah, that's right. - How does this help me get my voice back?
00:23:27	As I said, to treat the part,
00:23:30	we must understand the whole.
00:23:33	That's great, but I thought we were here just for your tonics.
00:23:36	Just give us the voice juice.
00:23:38	Hm... I know just the tonics you need.
00:23:46	Is that us?
00:23:49	Zoey.
00:23:51	Your tonics are ready!
00:23:53	We got the tonics!
00:23:56	Yay! Once your is voice fixed,
00:23:58	we can get back to the important stuff, like the fans.
00:24:00	Totally. Nice.
00:24:02	- Fans! - We can't let them see us!
00:24:03	Hurry!
00:24:04	Be cool. Look normal.
00:24:06	<i>Oh yeah!</i>
00:24:09	<i>Come on</i>
00:24:10	Hm?
00:24:11	<i>Take your time</i>
00:24:17	<i>Na-na-na-na, na-na-na-na</i>
00:24:19	<i>So tonight</i>
00:24:26	Yeah, yeah, yeah, yeah Yeah, yeah, yeah, yeah
00:24:28	<i>Just right</i>
00:24:32	Mmm! Mmm!
00:24:36	So hot.

00:24:39	Ugh. You guys are so gross...
00:25:35	Uh...
00:25:36	- Huh? - Watch yourself.
00:25:41	Watch my... Watch yourself! Look at this mess!
00:25:45	- Yeah. They're not even that cute. - They're so bleh!
00:25:48	They're so...
00:25:49	No, they're...
00:25:51	They're...
00:25:52	- I'm gonna throw up. - Wait. What is that?
00:26:02	Ooh. Sorry!
00:26:08	<i>Hey, hey!</i>
00:26:10	<i>Hey, hey!</i>
00:26:12	<i>Hey!</i>
00:26:15	Don't want you, need you Yeah, I need you to fill me up!
00:26:19	<i>Masigo maysyeo bwa do...</i>
00:26:21	It's those stupid jerks again!
00:26:23	Got a feeling that, oh yeah You could be everything that I need!
00:26:26	<i>Taste so sweet...</i>
00:26:27	These guys are a boy band?
00:26:29	<i>Makes me want more</i>
00:26:30	- Looking like snacks! - You got it!
00:26:32	<i>Take a big bite, want another bite!</i>
00:26:34	<i>Neoui modeungeol nan wonhae!</i>
00:26:36	<i>Neomalgon modu peonhae, peonhae...</i>
00:26:38	Did he? One, two, three, four, five, six. That jerk stole one of my pouches!
00:26:42	<i>Can't let go, no, no, not tonight</i>
00:26:45	Jigeum dangiang nal Bwa shigan eobtjana
00:26:49	<i>Neon naegeoya imi algo itjana</i>
00:26:52	<i>'Cause I need you to need me</i>
00:26:54	<i>I'm empty, you feed me</i>
00:26:56	<i>So refreshing!</i>
00:26:59	<i>My little soda pop!</i>

00:27:01	<i>You're all I can think of</i>
00:27:02	<i>Every drop I drink up</i>
00:27:04	<i>You're my soda pop</i>
00:27:06	<i>My little soda pop</i>
00:27:08	<i>Cool me down, you're so hot</i>
00:27:10	<i>Pour me up, I won't stop!</i>
00:27:12	<i>You're my soda pop...</i>
00:27:14	It is annoyingly catchy, though.
00:27:16	It's infectious.
00:27:21	They can make hearts out of thin air?
00:27:27	- They're demons! - Magicians! Demons. Obviously demons.
00:27:31	Make me wanna flip the top! Han mogume, you hit the spot!
00:27:34	Every little drip and drop, fizz and pop Soreum doda
00:27:37	<i>It's gettin' hot...</i>
00:27:39	Dang, they're good.
00:27:40	Incredible. But a demon boy band? Why?
00:27:42	I don't care. A demon's a demon. We kill them.
00:27:45	- No, it's too public. - What if they try to kill these people?
00:27:48	It doesn't look like they're gonna hurt anyone.
00:27:51	Huh?
00:27:52	<i>Nan jeoldae notchil su eopseo...</i>
00:27:55	In fact, it almost seems like they're nice demons?
00:27:58	Demons are never nice!
00:27:59	Don't eat that!
00:28:00	Ah! No.
00:28:02	Don't touch that!
00:28:04	<i>Come on, fill me up</i>
00:28:05	<i>Just can't get enough!</i>
00:28:09	<i>You're all I can think of</i>
00:28:11	<i>Every drop I drink up</i>
00:28:13	You're my soda pop My little soda pop...
00:28:15	They're coming after the fans. We gotta stop this now.

00:28:19	<i>Pour me up, I won't stop!</i>
00:28:21	<i>You're my soda pop</i>
00:28:22	<i>My little soda pop!</i>
00:28:29	<i>You're my soda pop!</i>
00:28:30	<i>Gotta drink every drop!</i>
00:28:40	That's it for now.
00:28:41	See you tonight on everyone's favorite variety show.
00:28:44	Saja Boys love you!
00:28:46	<i>My little soda pop!</i>
00:28:50	- That was incredible. - I liked that.
00:28:54	To be fair, that's also something a magician would do.
00:28:56	Oh, those are demons. And we're gonna kill them.
00:29:00	Let's get battle ready.
00:29:12	Let's go kill these guys.
00:29:14	Caw-caw!
00:29:16	- Play! - Play Games With Us!
00:29:18	Spicy challenge.
00:29:20	Welcome back to Who Can Chug the Most Hot Sauce?
00:29:25	Once they come off stage,
00:29:26	we'll jump down for the attack, and these boys'll be...
00:29:29	Done, done, done.
00:29:30	That's one flaming-hot Jinu.
00:29:32	And Abby is down.
00:29:35	Mystery is history.
00:29:37	Looks like Romance is out due to heartburn?
00:29:40	It's a dead heat between my handsome co-host and Baby Saja.
00:29:43	Can our host catch up?
00:29:45	So spicy! So spicy!
00:29:46	He can't! Baby Saja is the winner!
00:29:50	Goo goo, ga ga.
00:29:51	Come on. Wrap it up.
00:29:53	Hard to say goodbye when we're having fun.

00:29:56 So hard. So hard.

00:29:57 Then why say goodbye when we have
extra special guests coming up?

PART 4 / 159 CUES

0:30:00 - 0:39:59

00:30:01 What is he doing?

00:30:03 Please welcome Huntrix!

00:30:06 I love you, Huntrix!

00:30:08 We just wanted to stop by and congratulate
our hoobaes on their debut and...

00:30:13 And of course,
Play Games with Us! Bring out the slides!

00:30:18 Slide!

00:30:20 Oh no. We couldn't possibly.

00:30:22 In the balls! In the balls!

00:30:25 Sure. For the fans.

00:30:30 Wait. What the...

00:30:33 What's happening?

00:30:34 Make it stop!

00:30:35 The leather has betrayed us!

00:30:41 And Huntrix is in the balls!

00:30:45 Well, this was fun.

00:30:46 It was truly an honor
to share the stage with you.

00:30:49 - So hot!
- And respectful!

00:30:52 Oh no. The honor is ours.

00:30:54 - No, it was ours.
- It's ours.

00:30:56 - Ours. Ours...
- Ours. Ours...

00:30:58 Oh, my back!

00:31:04 Let's go get these guys.

00:31:06 We finally get to go
to the bathhouse with Rumi!

00:31:14 Men's?

00:31:16 Wow. Did you really follow us in here?

00:31:19 I knew they would.
That one's always looking at me.

00:31:21 No we're not.

00:31:23	You think we're just gonna let you steal our fans?
00:31:26	You'll have to fight us for them.
00:31:27	Yeah. Keep your hands off our Honmoon.
00:31:30	We're not here to fight.
00:31:32	They are.
00:31:33	Water demons.
00:31:34	Oh great. My favorite.
00:31:36	Get rid of the Hunters. Then you can eat all the souls you want.
00:31:43	Don't let this turn you off bathhouses, Rumi.
00:31:45	It's usually really fun and relaxing.
00:31:48	Have fun. Oh!
00:31:49	Oh jeez.
00:31:55	Whoa! Whoa!
00:31:56	Hey.
00:32:02	What's going on with the Honmoon?
00:32:04	It's getting worse.
00:32:05	We can't hold them. We need Rumi.
00:32:09	Whoa! Mind the face. I need it to steal your fans.
00:32:20	You're strong.
00:32:26	A Hunter who's part demon?
00:32:32	<i>Rumi, we need your help!</i>
00:32:34	<i>Rumi!</i>
00:32:36	- What are you doing? Where are you? - Rumi, we need you!
00:32:46	- Rumi! Get in here. - Rumi! We need you.
00:32:49	- Rumi! - Rumi!
00:33:10	Hey! This is the man's bathhouse. Get out of here.
00:33:13	Um, hi.
00:33:18	<i>My little soda pop</i>
00:33:20	<i>My little soda pop</i>
00:33:25	A Hunter who's part demon.
00:33:37	Saja Boys! Saja Boys!
00:33:40	I love you guys.
00:33:42	Saja Boys.

00:33:44	They're just like us.
00:33:46	Oh, souls incoming.
00:33:53	"My Little Soda Pop."
00:33:56	It's catchy.
00:33:57	Surprisingly, your plan is working.
00:34:00	I know, and that soul is just a starter.
00:34:03	So let me get back to work, and you'll be feasting in no time.
00:34:07	One of the Hunters bears my mark, but I have no control over her.
00:34:12	This is good.
00:34:13	This means she has shame.
00:34:15	I'll find out what it is,
00:34:16	and we can use it to destroy her and the Hunters for good.
00:34:21	I've taught you well, Jinu.
00:34:28	How do we go from gold to this?
00:34:32	Look at all the weak spots.
00:34:34	We've never seen the Honmoon like this before.
00:34:36	Gwi-Ma must know we're so close to sealing it for good.
00:34:39	So he sends a demon boy band?
00:34:41	Well, it's working.
00:34:43	Don't worry. I'm sure "Soda Pop" is just a fad.
00:34:45	These boys will be old news by next week. You'll see.
00:34:49	- Girls? - Hi, Bobby!
00:34:51	It's a lot more serious than I thought.
00:34:53	The Saja Boys have gone completely viral after that variety show.
00:34:56	They even have their own fandom.
00:34:58	<i>Join the Pride!</i>
00:35:00	<i>Cool me down, you're so hot</i>
00:35:02	<i>Pour me up, I won't stop!</i>
00:35:04	<i>You're my soda pop...</i>
00:35:05	- Bobby! Control those shoulders. - Zoey!
00:35:07	Wow, it is catchy.

00:35:09	Yeah, you're right, Zoey. They're amazing, but they suck.
00:35:12	I'm sorry. I've been glued to this tiny screen for hours.
00:35:15	I just need to look away and...
00:35:17	Woo!
00:35:18	Relax, Bobby.
00:35:19	It's just social media numbers.
00:35:21	Not the end of the world.
00:35:26	This is the battle for hearts and minds. A battle for the fans.
00:35:29	And what's the biggest battlefield of them all?
00:35:32	- The Idol Awards. - State Fair?
00:35:34	That's right. We have to crush that stage.
00:35:36	Be better than we've ever been with the show
00:35:38	to end the Saja Boys for good.
00:35:40	Zoey, we're gonna need a new song.
00:35:41	I got 23 notebooks full of demon insults ready to go.
00:35:44	Yeah! Let's make it 30 notebooks.
00:35:46	Mira, the choreography?
00:35:47	Yep, making them hotter.
00:35:49	Backup dancers, ready to go.
00:35:51	We'll write a brand-new song. A diss track to expose the Saja Boys.
00:35:54	And send those disgusting demons back to the depths where they belong!
00:35:58	- Yeah! - Yeah!
00:36:00	Yeah!
00:36:01	Yeah!
00:36:04	Yeah!
00:36:06	We're gonna kick their butts!
00:36:08	That's my girls!
00:36:10	Not sure about this whole demon thing. They seem nice, but loving the energy!
00:36:20	Okay, tonics. Let's do this. What?
00:36:26	Zoey.
00:36:34	A Hunter who's part demon?

00:36:43	Is that a bird wearing a tiny hat?
00:36:48	What?
00:37:36	No. No, really. It's okay. Just leave it.
00:37:41	What are you?
00:37:48	"Hello, friend."
00:37:51	Jinu? Ji... Jinu? Oh!
00:37:53	Meet you?
00:37:54	I'm not gonna meet you. Who do you think you...
00:38:12	Okay, Jinu. Let's meet.
00:38:50	- What? - Wow. I wasn't expecting a hug, but...
00:38:54	Jeez, okay, okay.
00:38:56	Calm down. I thought the mannequin was gonna be a fun icebreaker.
00:38:59	But I see I was wrong.
00:39:00	Whoa!
00:39:01	- Hey! I just wanna talk. - Talk?
00:39:04	About your patterns? But first, I wanna talk about those pants.
00:39:08	- Hm? - Teddy bears and choo-choo trains? Really?
00:39:13	Choo-choo.
00:39:14	- You were supposed to be dead! - Whoa. Hey!
00:39:17	I could've told your friends what you are.
00:39:19	But I didn't, did I?
00:39:20	Because they don't know.
00:39:24	Ah, I did guess right.
00:39:27	A demon girl.
00:39:28	Also Hunter.
00:39:29	Hiding, walking around free in the human world.
00:39:33	- Just Hunter, not demon. - Then how'd you get the patterns?
00:39:36	- That's none of your business. - Huh.
00:39:38	I know what it feels like to have them.
00:39:40	Feel? You're a demon. Demons don't feel anything.

00:39:43	Is that what you think? That's all demons do. Feel.
00:39:47	Feel our shame, our misery.
00:39:49	It's how Gwi-Ma controls us. Do you not hear him in your ear?
00:39:53	- What are you talking about? - Huh.
00:39:55	You're lucky.
00:39:57	I'll never forget the first time I heard him.
00:39:59	That was 400 years ago.

PART 5 / 200 CUES

0:40:00 - 0:49:59

00:40:02	My family was extremely poor and miserable.
00:40:05	I had a single possession to my name. An old bipa.
00:40:09	So I busked the streets, but it didn't get me anywhere.
00:40:13	<i>I was desperate.</i>
00:40:14	<i>We were starving.</i>
00:40:16	<i>Then, I heard him.</i>
00:40:17	<i>You can't do anything for your family.</i>
00:40:19	<i>You're not good enough for them.</i>
00:40:21	<i>But I can help you be good enough.</i>
00:40:24	Overnight, my fate was changed. I was praised for my voice.
00:40:28	<i>Even by the king himself.</i>
00:40:30	My family and I lived on the palace grounds.
00:40:33	Our bellies were finally full, our clothes clean.
00:40:36	<i>We were happy.</i>
00:40:37	But the patterns, they kept spreading until they consumed me.
00:40:42	<i>And I was condemned to the demon world.</i>
00:40:44	<i>Prisoner of Gwi-Ma for all eternity.</i>
00:40:47	<i>My family lost everything.</i>
00:40:51	And without me, they were even worse off than before.
00:40:54	Every day since, I've been haunted by the memory of failing them.

00:40:58	You left them. Left them behind. Failed them.
00:41:03	These are a constant reminder of my shame.
00:41:06	A shame I can never escape.
00:41:22	Yours are a reminder too.
00:41:24	Of a shame of your own.
00:41:27	You don't know me.
00:41:28	You know you can tell me. I'll understand.
00:41:33	I'm the only one who can.
00:41:37	I'm nothing like you.
00:41:39	Denial. I get it.
00:41:42	I was once there too. I'll be here when you're done pretending.
00:41:45	Until next time.
00:41:47	There won't be a next time!
00:41:56	<i>You'll never beat us</i>
00:41:58	Your plan will never work We're gonna...
00:42:02	This song sucks!
00:42:05	We only have to write the best diss track ever
00:42:08	to crush the Idol Awards, or there'll be a demon apocalypse.
00:42:11	No pressure at all.
00:42:15	Yeah! We gotta get up close and insult their stupid faces!
00:42:18	Their nasty, disgusting, not beautiful...
00:42:22	...perfectly dewy,
00:42:24	symmetrical, shimmering...
00:42:26	Okay, enough! I'm taking these down!
00:42:28	Just like how we're gonna take down these boys!
00:42:31	Take down? Takedown! That's the song! It's a take down!
00:42:36	<i>So sweet, so easy on the eyes</i>
00:42:38	<i>But hideous on the inside</i>
00:42:40	- Nice. - You like it?
00:42:41	Whole life spreading lies But you can't hide
00:42:43	<i>Baby, nice try</i>
00:42:45	Whoa. That's sounding good.

00:42:46	<i>I'm about to switch up these vi-</i>
00:42:49	- Sorry, guys. - No, take it easy.
00:42:51	Yeah, rest that voice for Idol Awards.
00:42:53	This week's winner is "Soda Pop" by the Saja Boys!
00:42:56	<i>So sweet, so easy on the eyes</i>
00:42:58	<i>But hideous on the inside</i>
00:42:59	Whole life spreading lies But you can't hide, baby, nice try!
00:43:02	<i>I'm about to switch up these vibes</i>
00:43:04	<i>I finally opened my eyes</i>
00:43:06	It's time to kick you straight back Into the night!
00:43:10	Wait, that's the beat.
00:43:12	Yeah, totally!
00:43:15	Are you a prisoner too? Is Gwi-Ma making you do this?
00:43:20	- Mira. - You okay?
00:43:21	Yeah, thanks for having my back.
00:43:23	This week's winner is "Golden" by Huntrix!
00:43:28	<i>I'mma gear up and take you down!</i>
00:43:33	<i>It's a take down!</i>
00:43:34	<i>Oh, oh, da-da-da-da</i>
00:43:37	A take down, I'mma take you out You'll break down like, "What?"
00:43:40	It's a take down, I'mma take you out And it ain't gonna stop!
00:43:43	Oh, how about...
00:43:45	"A demon with no feelings Doesn't deserve to live"?
00:43:48	It's so obvious!
00:43:49	<i>I'mma gear up and take you down!</i>
00:43:52	<i>Oh, oh</i>
00:43:53	<i>It's a take down!</i>
00:43:55	Look!
00:43:57	<i>Takedown!</i>
00:43:58	<i>Oh, oh, da-da-da-da</i>
00:44:00	<i>Join the Pride!</i>
00:44:02	<i>Oh, oh, da-da-da-da</i>

00:44:04	- Join the... - Join the Pride!
00:44:07	All right, team, I know everything is all Saja, Saja, Saja,
00:44:11	but we're gonna turn it into Huntrix, Huntrix, Huntrix!
00:44:14	Yay!
00:44:16	These fans slept on the sidewalk, overnight!
00:44:19	Happy fans, happy Honmoon!
00:44:22	Let's bring them in! Welcome.
00:44:24	Hey, single file, no pushing.
00:44:26	- And who should I make this out to? - "To our biggest fans."
00:44:31	It's the Saja Boys!
00:44:34	It is an honor! Table, now!
00:44:36	Joint signing!
00:44:38	We lose half the fans? The Saja Boys will sit with us!
00:44:42	- What? Rumi? - Rumi, what are you doing?
00:44:44	- Genius! - Huh?
00:44:45	Same table?
00:44:47	We need every fan.
00:44:49	Hm. We keep meeting like this.
00:44:51	I am not sitting with no Saja Boy... What's up?
00:44:58	- I didn't think you liked sharing. - I love sharing.
00:45:01	Oh, so you shared your secret with your friends?
00:45:04	If only I could smash your demon face now!
00:45:06	Thanks for coming!
00:45:08	Should I tell them?
00:45:09	No, I'm gonna tell them. Eventually.
00:45:12	Are you whispering?
00:45:15	Your secret's safe with me.
00:45:20	Oh, so cute!
00:45:22	Thanks for coming!
00:45:22	No! Bad Saja Boy!

00:45:24	- I'll sign first. - No, I'll sign first.
00:45:26	- No, I'll sign first. - No, me! Me first!
00:45:28	Not gonna talk to someone who's helping Gwi-Ma.
00:45:30	I'm helping myself.
00:45:32	Look, if I help him, he's promised to erase my memories,
00:45:35	and those voices in my head will be gone.
00:45:37	- Pathetic. - I'm pathetic?
00:45:39	You can't even talk about your patterns.
00:45:41	You want me to talk about my patterns?
00:45:44	I hate them! Just like I hate all demons. How I hate Gwi-Ma.
00:45:47	If hate could defeat Gwi-Ma, I would've done it a long time ago.
00:45:51	Trust me.
00:45:53	Excuse me, Mr. Jinu.
00:45:56	I made this for you.
00:45:57	Uh, for me?
00:46:03	Maybe listen to those voices instead of the ones in your head.
00:46:06	Isn't he great? Woo! Jinu, everybody! Yeah, Jinu!
00:46:11	"Woo, Jinu"?
00:46:13	Jinu! Jinu!
00:46:15	Unfortunately, the Saja Boys have to run. Thank you, everyone.
00:46:28	The Internet loves this, and the Internet is never wrong!
00:46:32	Rujinu! That's genius.
00:46:34	Zoestery. Where did they come up with that?
00:46:36	Miro-mabby?
00:46:39	Aw, you're so cute together!
00:46:42	"Time to put you in your place 'Cause you're rotten within!"
00:46:46	"When your patterns start to show"
00:46:48	"It makes the hatred wanna grow Out of my..."

00:46:56	When your patterns start to show I see a pain that lies below
00:47:05	Calm down.
00:47:07	I'm not gonna meet him.
00:47:10	Rumi?
00:47:12	Uh... You gotta get outta here. Come on.
00:47:14	- I can hear you in there. - Uh, yeah.
00:47:17	Uh, give me a minute.
00:47:25	Hm?
00:47:28	Uh... what are you doing?
00:47:31	Um, nothing. Just, uh...
00:47:33	Did you wanna come in?
00:47:35	I mean, if you want me to come in, I can come in.
00:47:40	I heard you singing.
00:47:41	You sound good.
00:47:42	Yeah, who would've thought? Those tonics actually work.
00:47:47	So, why are you changing our lyrics?
00:47:50	Oh, I just...
00:47:52	Do you really think this is the right song to beat Gwi-Ma?
00:47:56	It's so hateful.
00:47:57	Yeah, because we hate him, and we hate demons.
00:48:00	No, I know.
00:48:01	Okay, what is up with you?
00:48:03	I could swear, the other day, you were talking to a demon.
00:48:06	- I... - And "Woo, Jinu"? What was that about?
00:48:09	Playing him up to psych him out. Get in his head.
00:48:12	I'm pretty good at reading people.
00:48:13	Actually, I'm kind of an expert at it,
00:48:15	and I just can't shake this feeling that you're keeping something from me.
00:48:20	Mira, I'm not keeping anything from you.
00:48:23	I promise.
00:48:25	Sorry. I sound nuts.

00:48:28	I guess these demons are just getting to me.
00:48:31	I can't wait until every one of them is destroyed
00:48:35	and sent back to suffer with Gwi-Ma for eternity.
00:48:37	Right, Rumi?
00:48:39	Yeah. Eternal suffering. Sounds fun.
00:48:51	Hey, everybody.
00:48:53	Our fan club just hit 50 million fans.
00:48:56	<i>We have to give a shout-out to Huntrix.</i>
00:48:58	We couldn't have done it without their support.
00:49:00	<i>And to our fans, thank you.</i>
00:49:03	<i>We really feed off your energy.</i>
00:49:06	<i>In other news,</i>
00:49:07	the amount of missing person reports have tripled in the last 24 hours.
00:49:11	<i>We're so excited to show you what's next.</i>
00:49:27	She wants to meet, and she's late?
00:49:31	You made me come all the way out here so you could jump-scare me?
00:49:34	Follow me.
00:49:37	Well, I'm glad you're finally ready to talk.
00:49:39	Although, you could've picked somewhere nicer for a date.
00:49:42	Date? No! Ew! What are you talking about?
00:49:46	That doesn't mean... You're so old.
00:49:49	This is strictly a business meeting.
00:49:51	Okay, loud and clear.
00:49:53	What if I told you there's another way to get your freedom?
00:49:56	Go on.
00:49:57	Help us win the Idol Awards.
00:49:59	Because when we win, the Honmoon will be sealed.

PART 6 / 170 CUES

0:50:00 - 0:59:59

00:50:03	And that will guarantee your freedom.
00:50:06	Gwi-Ma will be permanently cut off,

00:50:09	and all the demons will be gone from this world.
00:50:12	I will finally be free of these patterns.
00:50:15	No more hiding. No more secrets.
00:50:18	You can be on this side when the Honmoon is sealed.
00:50:21	Away from the demon world,
00:50:22	away from Gwi-Ma.
00:50:24	You can be free from those voices forever.
00:50:27	What makes you think the Honmoon can save a guy like me?
00:50:30	A guy who tried to help his family? You made a mistake, Jinu.
00:50:33	It's not that simple.
00:50:35	But I am a mistake.
00:50:38	Have been since the moment I was born.
00:50:40	So, I have to believe.
00:50:43	Because if there's no hope for you, what hope is there for me?
00:50:49	Bracelet? For your beautiful girlfriend?
00:50:52	- Oh, no. We're not... She's not my type. - Oh, no. Ugh. What?
00:50:55	Excuse me? I'm everyone's type.
00:50:56	- You can't even show up on time. - You from the 1900s?
00:50:59	- I see why you're single. - What?
00:51:00	See? We'd never work.
00:51:03	Here, free one. Go find yourself a better boy.
00:51:05	This one's hopeless.
00:51:07	Well, there's your answer.
00:51:10	Hopeless.
00:51:12	That's the funny thing about hope. Nobody else gets to decide if you feel it.
00:51:17	That choice belongs to you.
00:51:22	Fine.
00:51:23	Your loss.
00:51:31	- I was just trying to get the bracelet. - Oh. Yeah. The bracelet.
00:51:38	For what it's worth, I don't think you're a mistake.

00:51:45	- Okay, bye. - Yeah, uh, bye. Uh...
00:51:53	- I need to see "Golden" live. - The Idol Awards are tomorrow.
00:51:56	Thank goodness I didn't hold my breath,
00:51:58	<i>'cause I'd be dead by now.</i>
00:52:02	Time to put you in your place 'Cause you're rotten within!
00:52:05	<i>When your patterns start to show</i>
00:52:07	It makes the hatred Wanna grow out of my...
00:52:10	What's going on?
00:52:12	Why are we stopping?
00:52:13	These lyrics are throwing me off. I don't think they're right just yet.
00:52:17	Seriously? Now?
00:52:19	No, it's fine.
00:52:20	It's the second verse, right? Uh, how about...
00:52:22	"When the patterns start to show, the world will know that you're depraved"?
00:52:27	Hm.
00:52:28	Um, "My sword will happily Show you to your grave."
00:52:30	- "You'll be pummeled till no remains." - No, Zoey, it's just...
00:52:33	It's the whole song.
00:52:35	Oh, okay, great.
00:52:36	Well, then, I might as well just tear these all up.
00:52:40	Rumi, we don't have time to change the lyrics even if we wanted to.
00:52:44	The Idol Awards are tomorrow.
00:52:46	Well, I don't think I can sing this song.
00:52:50	Hey, girls, just wanted to bring some last-minute pick-me-ups.
00:52:54	I know things have been really stressful lately,
00:52:57	and you've been working so hard on the Idol routine.
00:53:00	For what it's worth, I am proud of you,
00:53:02	and I just want you to know I'm here for literally anything you need.

00:53:10	You're my soda pop! My little soda pop!
00:53:13	<i>Join the Pride. We need you.</i>
00:53:21	Seriously, what is your problem?
00:53:23	I told you, the song, it's...
00:53:25	I'm not talking about the song, I'm talking about you!
00:53:29	Why are you questioning everything we stand for
00:53:31	when we're so close to sealing the Honmoon?
00:53:33	- What are you not telling us, Rumi? - I... I...
00:53:36	What are you hiding from us?
00:53:38	Not everything is about your insecurities, Mira!
00:53:43	Mira, I didn't mean...
00:53:44	Would you two stop fighting each other and look?
00:53:50	- The tear. - It's huge.
00:53:56	If you're with us, prove it.
00:53:59	It's a take down, I'mma take you out You'll break down like, "What?"
00:54:03	It's a take down, I'mma take you out And it ain't gonna stop!
00:54:06	Jung-shin-eul-noh-koh Null-jib-balb-goh!
00:54:08	<i>Kal-eul-seh-gyuh-nuah!</i>
00:54:10	You'll be begging and crying All of you dying, never miss my shot!
00:54:13	I don't think you're ready For the take down!
00:54:17	A demon with no feelings Don't deserve to live!
00:54:20	<i>It's so obvious</i>
00:54:22	<i>I'mma gear up!</i>
00:54:26	Rumi!
00:54:31	<i>You can try, but you can't hide!</i>
00:54:32	<i>It's a take down, I'mma take you out</i>
00:54:34	<i>And it ain't gonna stop!</i>
00:54:40	The passengers!
00:54:41	<i>Join The Pride, we need you!</i>

00:54:43	Join the Pride, we need you! Join the Pride, we need you!
00:54:54	Whatever you think about the song, it doesn't matter now.
00:54:58	Everything is at stake,
00:55:00	and we just need to get through this together.
00:55:05	You know I'm always on your side,
00:55:07	but it's really hard to understand this time.
00:55:11	We can't win this without your voice, Rumi.
00:55:19	Trust me, I'm gonna make sure we win.
00:55:34	Okay, so I've been meaning to ask, why does the bird wear a tiny hat?
00:55:38	I made it for the tiger, but the bird keeps taking it.
00:55:47	So, about tomorrow, have you thought about my proposal?
00:55:51	Look, I want to believe in your crazy plan,
00:55:54	but I don't think I'm the one to help you.
00:55:57	Actually, you already have.
00:56:01	I spent my whole life keeping this secret, this shame of what I am,
00:56:06	and the more I hid this shame,
00:56:07	the more it grew and grew
00:56:09	until it started to destroy the one thing that gave me a purpose,
00:56:14	my voice.
00:56:16	But since I've met you,
00:56:17	and the more I talk to you,
00:56:20	I don't understand it, but somehow, my voice has healed.
00:56:27	<i>I tried to hide, but something broke</i>
00:56:31	I tried to sing Couldn't hit the notes
00:56:34	<i>The words kept catching in my throat</i>
00:56:38	I tried to smile I was suffocating though
00:56:41	But here with you I can finally breathe
00:56:44	<i>You say you're no good</i>

00:56:46	<i>But you're good for me</i>
00:56:48	<i>I've been hoping to change</i>
00:56:50	<i>Now I know we can change</i>
00:56:52	<i>But I won't if you're not by my side</i>
00:56:57	<i>Why does it feel right</i>
00:56:58	<i>Every time I let you in?</i>
00:57:00	<i>Why does it feel like</i>
00:57:02	<i>I can tell you anything?</i>
00:57:04	All the secrets That keep me in chains and
00:57:08	All the damage That might make me dangerous
00:57:11	<i>You got a dark side</i>
00:57:12	<i>Guess you're not the only one</i>
00:57:14	<i>What if we both tried</i>
00:57:16	<i>Fighting what we're running from?</i>
00:57:18	<i>We can't fix it if we never face it</i>
00:57:21	<i>What if we find a way to escape it?</i>
00:57:24	<i>We could be free, free!</i>
00:57:31	<i>We can't fix it if we never face it</i>
00:57:35	Let the past be the past Till it's weightless
00:57:38	Oh, time goes by And I lose perspective
00:57:42	Yeah, hope only hurts So I just forget it
00:57:45	You're breaking through the dark in me When I thought nobody could
00:57:49	You're waking up all these parts of me I thought were buried for good
00:57:52	Between imposter and this monster I been lost inside my head
00:57:55	Ain't no choice when all these voices Keep me pointing towards no end!
00:57:59	<i>It's just easy when I'm with you</i>
00:58:01	<i>No one sees me the way you do</i>
00:58:03	I don't trust it, but I want to I keep coming back to
00:58:05	Why does it feel right Every time I let you in?
00:58:09	<i>Why does it feel like</i>
00:58:11	<i>I can tell you anything?</i>

00:58:13	<i>We can't fix it if we never face it</i>
00:58:16	<i>What if we find a way to escape it?</i>
00:58:19	<i>We could be free, free!</i>
00:58:26	<i>We can't fix it if we never face it</i>
00:58:30	Let the past be the past Till it's weightless!
00:58:33	<i>Whoa!</i>
00:58:34	<i>So take my hand</i>
00:58:38	<i>It's open!</i>
00:58:41	<i>Free! Free!</i>
00:58:48	<i>What if we heal what's broken?</i>
00:58:54	<i>Free! Free!</i>
00:59:01	<i>I tried to hide But something broke</i>
00:59:05	I couldn't sing But you give me hope
00:59:08	<i>We can't fix it if we never face it</i>
00:59:11	<i>Let the past be the past</i>
00:59:13	<i>Till it's weightless</i>
00:59:22	I... I don't hear his voice.
00:59:28	I'll make sure the Saja Boys lose tomorrow.
00:59:31	Then we'll both win.
00:59:33	Rumi, wait. I...
00:59:38	I... I can't wait to see you on that stage tomorrow.
00:59:49	Ow.

PART 7 / 196 CUES

1:00:00 - 1:09:59

01:00:00	What's with the long faces? Everything's going to plan.
01:00:04	Look at all these souls, huh?
01:00:06	Turn around.
01:00:10	That's funny.
01:00:12	I thought for a moment you actually believed you could be free.
01:00:19	Yeah, that's funny.
01:00:21	Because if you really believed her,
01:00:23	if you really thought you could escape what you are,

01:00:27	what you did...
01:00:29	...you would have told her the truth.
01:00:32	<i>You betrayed your own family.</i>
01:00:35	<i>You left them behind.</i>
01:00:37	<i>You killed your family.</i>
01:00:40	Don't forget about our deal, Jinu,
01:00:42	because I can turn those voices up.
01:00:45	<i>They're going to die.</i>
01:00:50	Or they can be gone.
01:00:54	Don't think you can escape
01:00:56	what you are.
01:01:07	Every time.
01:01:10	Maybe they'll understand.
01:01:13	No, Rumi.
01:01:14	Nothing can change until your patterns are gone.
01:01:23	Everything's set.
01:01:24	Well, almost everything.
01:01:27	Look, the last few weeks have been hard.
01:01:30	And I admit, I haven't been at my best.
01:01:34	But I know we can win tomorrow.
01:01:36	We just have to sing the right song.
01:01:38	And "Takedown" isn't...
01:01:39	It's okay, Rumi.
01:01:40	We agree.
01:01:41	It's not the song that's gonna connect all our fans.
01:01:45	It can't even connect us.
01:01:50	I know our faults and fears must never be seen,
01:01:54	but, look, I'm kind of a difficult person.
01:01:58	Overly blunt, short-fused, highly aggressive.
01:02:00	My whole life, those things were a liability.
01:02:03	But somehow, with you guys, they're okay.
01:02:08	I feel the same way.
01:02:11	Before I joined Huntrix,
01:02:12	I felt like my thoughts and my lyrics and all my notebooks

01:02:15	were just useless and weird.
01:02:19	But with the two of you, they mean something.
01:02:22	I mean something.
01:02:24	I'm afraid of losing you guys too.
01:02:26	And that's why we have to finish this.
01:02:28	All these fears, it's the demons talking.
01:02:31	But tomorrow, we can win this war.
01:02:34	And when the Honmoon is sealed, we will be free of these demons.
01:02:38	Free of these fears forever.
01:02:39	And then we can take a hiatus.
01:02:42	Maybe go to the bathhouse?
01:02:44	- What? I'll fight for a spa day with you. - The women's bathhouse, not the men's?
01:02:48	Let's do it! Wait, what song are we singing?
01:02:50	- "Golden." - "Takedown"!
01:02:52	I mean "Golden." Definitely "Golden."
01:02:53	It's a song about the best of us.
01:02:55	Rumi, your voice good to go?
01:02:57	Never been stronger.
01:02:58	Happy fans?
01:03:00	Happy Honmoon!
01:03:02	Yeah!
01:03:07	<i>Two bands, one award.</i>
01:03:11	<i>Every snowflake is special.</i>
01:03:13	But one snowflake is probably the best. Who will be the top of the mountain?
01:03:18	<i>Fans from around the universe will decide.</i>
01:03:25	Finally, the moment you've been waiting for.
01:03:27	Here are the five-year reigning champs of the International Idol Awards, Huntrix!
01:03:33	We love Huntrix!
01:03:36	Versus the heart-stealing newcomers, the Saja Boys!
01:03:41	We love you!
01:03:42	Who will win?
01:03:50	Ugh. Look at that smug face. I'm gonna freaking smash it.

01:03:54	Save it for the stage.
01:03:55	Please welcome to the stage, the Saja Boys!
01:04:00	Saja Boys!
01:04:06	What's going on?
01:04:08	I hate Abs!
01:04:10	- Girls, the Saja Boys are fighting. - What?
01:04:13	That means you're on now!
01:04:14	Okay. This is it. For the fans.
01:04:16	For the world.
01:04:17	For us.
01:04:19	Yes! We win this, and then we celebrate with Itaewon corn dogs!
01:04:25	Yay!
01:04:28	Uh...
01:04:29	Okay, uh, there's been a slight change in schedule.
01:04:33	Here to perform their hot new single, "Golden," it's Huntrix!
01:04:46	<i>I was a ghost</i>
01:04:48	<i>I was alone</i>
01:04:49	<i>Eo du wojin, ap gil sok e</i>
01:04:54	Given the throne I didn't know how to believe
01:04:59	<i>I was the queen that I'm meant to be!</i>
01:05:01	<i>I lived two lives</i>
01:05:03	<i>Tried to play both sides</i>
01:05:05	<i>But I couldn't find my own place!</i>
01:05:09	<i>Called a problem child</i>
01:05:11	<i>'Cause I got too wild</i>
01:05:13	<i>But now that's how I'm getting paid</i>
01:05:16	<i>Kkeut eop si on stage!</i>
01:05:17	<i>I'm done hiding</i>
01:05:19	<i>Now I'm shining</i>
01:05:21	<i>Like I'm born to be!</i>
01:05:25	<i>We dreaming hard</i>
01:05:27	<i>We came so far</i>
01:05:28	<i>Now I believe!</i>
01:05:32	<i>We're going up, up, up!</i>

01:05:34	<i>It's our moment!</i>
01:05:36	<i>You know together we're glowing!</i>
01:05:38	<i>Gonna be, gonna be golden...</i>
01:05:40	She's killing it out there!
01:05:41	Let's go finish this.
01:05:43	<i>Gonna be, gonna be golden!</i>
01:05:45	- Bobby? - You're on in 20 seconds!
01:05:47	<i>Whoa, I'm done hiding</i>
01:05:50	<i>Now I'm shining</i>
01:05:52	<i>Like I'm born to be!</i>
01:05:56	<i>Oh, our time</i>
01:05:58	<i>No fears, no lies</i>
01:06:00	<i>That's who we're born to be!</i>
01:06:03	<i>You know</i>
01:06:04	We're gonna be, gonna be golden We're gonna be, gonna be...
01:06:07	Bobby?
01:06:08	Yes! Rumi's crushing it!
01:06:11	<i>You know that it's our time</i>
01:06:13	<i>No fears, no lies</i>
01:06:15	<i>That's who we're born to be!</i>
01:06:26	<i>Takedown, take down, down, down, down</i>
01:06:28	- What? - Why are they playing "Takedown"?
01:06:31	Something's wrong.
01:06:33	- Rumi! - Rumi!
01:06:35	"Takedown"? They put this back in?
01:06:37	Is this a new song?
01:06:40	<i>It's a take down!</i>
01:06:41	<i>So sweet, so easy on the eyes</i>
01:06:43	<i>Way hideous on the inside</i>
01:06:45	Whole life spreading lies But you can't hide, baby, nice try!
01:06:48	<i>About to switch up these vibes...</i>
01:06:50	Zoey?
01:06:51	Mira?
01:06:52	Time to kick you Straight back into the night!

01:06:55	'Cause I see your real face It's ugly as sin...
01:06:57	What's going on?
01:06:59	- Are they fighting? - Why? No.
01:07:02	Please! Stop!
01:07:04	Makes hatred wanna grow Out of my veins
01:07:06	Rumi!
01:07:07	I don't think You're ready for the take down
01:07:10	Break you into pieces in a world of pain 'Cause you're all the same
01:07:14	Hang on, Rumi! We're coming!
01:07:16	<i>Takedown!</i>
01:07:17	<i>A demon with no feelings</i>
01:07:19	<i>Don't deserve to live!</i>
01:07:20	<i>It's so obvious!</i>
01:07:22	<i>I'mma gear up and take you down!</i>
01:07:25	We see what you are.
01:07:26	- You're a demon. A mistake. - A mistake.
01:07:30	No!
01:07:30	You have been since the day you were born.
01:07:34	No!
01:08:04	What?
01:08:06	How are you here?
01:08:07	You were just on stage.
01:08:09	That wasn't you? Oh.
01:08:11	Oh, thank goodness.
01:08:15	No. No!
01:08:17	No. No.
01:08:18	- How do you have patterns? - These were supposed to be gone.
01:08:22	You were never supposed to see!
01:08:23	You were hiding this from us this whole time?
01:08:27	No, I have a plan to erase them. Jinu was supposed to... I... He was...
01:08:30	Jinu? You're working with him?
01:08:33	No. No! No! I was using him to fix all this!

01:08:36	To fix me! So we could all do our duty!
01:08:39	We could all be strong.
01:08:41	Be together.
01:08:41	How could we be together
01:08:43	if we can't tell your lies from your truths, Rumi?
01:08:46	I knew it. I knew it was too good to be true.
01:08:50	Mira, no! Didn't you see? See the gold? We're so close!
01:08:56	No! Don't leave! Don't leave!
01:09:00	I can still...fix it!
01:09:14	Zoey, please.
01:09:28	Jinu? Jinu! Where are you?
01:09:33	Jinu!
01:09:36	Say you didn't do this.
01:09:40	How could you do this?
01:09:42	It was all a lie.
01:09:43	It was real! What we had was real. I know it was!
01:09:47	The things I said? I just needed you to trust me. That's all.
01:09:50	No! No, I know your story. You were a good person, and you still are.
01:09:54	You just made a mistake.
01:09:55	I left them!
01:09:57	That's right, I lied to you.
01:09:59	I only made a deal with Gwi-Ma to get myself out of that miserable life.

PART 8 / 173 CUES

1:10:00 - 1:19:59

01:10:04	<i>I left my sister, my mother, alone</i>
01:10:07	while I slept on silk sheets in the palace with my belly full every night!
01:10:12	I left them. I left them.
01:10:16	But that's not all you are.
01:10:18	This is just your demon talking.
01:10:20	- You have to fight it! - That's not how it works!
01:10:23	Yes, it is!

01:10:25	Listen to yourself.
01:10:26	Is it working?
01:10:28	You're a demon, just like me.
01:10:31	All we get to do is live with our pain, our misery.
01:10:38	That's all we deserve.
01:11:08	The Honmoon! It's coming apart!
01:11:10	Due to the Huntrix public breakup on stage,
01:11:12	today's International Idol Awards have been canceled.
01:11:15	Here are the winners of the International Idol Awards.
01:11:18	<i>Artist of the Year, Saja Boys.</i>
01:11:20	<i>You couldn't keep them together.</i>
01:11:22	You're all alone, but you don't have to be.
01:11:26	<i>Best New Artist, Saja Boys.</i>
01:11:28	<i>Song of the Year, "Soda Pop."</i>
01:11:31	<i>Worldwide Icon of the Year, Saja Boys.</i>
01:11:34	<i>Hey, everybody.</i>
01:11:36	You must all be so sad about the Huntrix breakup.
01:11:39	<i>We are too.</i>
01:11:40	<i>So to cheer everyone up,</i>
01:11:41	we're going to do a special live performance tonight.
01:11:45	<i>Midnight, Namsan Tower.</i>
01:11:47	<i>Don't miss it for the world.</i>
01:11:52	Gwi-Ma, he's coming.
01:11:56	<i>You thought you found a family?</i>
01:11:58	<i>You don't deserve one.</i>
01:12:00	<i>You never have.</i>
01:12:02	What are we gonna do without Rumi? Our songs are three-part harmonies.
01:12:05	- How do we... - There is no "we," Zoey.
01:12:08	I don't get to have a family.
01:12:12	<i>You're too much. And not enough.</i>
01:12:14	You'll never belong anywhere, but I can give you a place to belong.
01:12:45	Rumi?

01:12:48	I thought I could fix it all.
01:12:51	Fix me.
01:12:53	But I ran out of time.
01:12:58	They saw.
01:12:59	They know.
01:13:00	There's no denying it now.
01:13:02	This is what I am.
01:13:05	Rumi, no.
01:13:07	You knew I was a mistake from the very start.
01:13:15	Do what you should've done a long time ago.
01:13:20	Before I destroy what I swore to protect.
01:13:24	Please. Do it!
01:13:29	I can't.
01:13:32	When we lost your mother,
01:13:34	I swore to protect all that was left of her,
01:13:37	but I never thought that that would be a child like you.
01:13:44	Everything I was taught told me you were wrong,
01:13:47	but I made a promise.
01:13:49	So I did my best to accept you and help you.
01:13:53	Accept me?
01:13:55	You told me to cover up, to hide.
01:13:58	Yes, until we can fix everything.
01:14:00	And we still can.
01:14:02	We can cover those up and put everything right again.
01:14:04	I'll tell Mira and Zoey that it was all a lie,
01:14:07	an illusion by Gwi-Ma to break us apart.
01:14:10	No.
01:14:11	No more hiding.
01:14:12	No more lies!
01:14:13	Rumi, we can still fix this.
01:14:15	Don't you get it?
01:14:17	This is what I am.
01:14:19	Look at me.

01:14:21	Why can't you look at me?!
01:14:24	- Why couldn't you love me?! - I do!
01:14:26	All of me!
01:14:28	This is why we have to hide it.
01:14:30	Our faults and fears must never be seen.
01:14:33	It's the only way to protect the Honmoon.
01:14:42	If this is the Honmoon I'm supposed to protect,
01:14:46	I'm glad to see it destroyed.
01:14:58	Well done. Ready to forget it all?
01:15:02	Good. I'm ready to feast.
01:15:10	Saja! Saja! Saja!
01:15:33	Saja!
01:15:33	Saja!
01:15:53	<i>I'll be your idol!</i>

01:15:58	Play me on repeat kkeuteopsi In your head!
01:16:01	<i>Anytime it hurts, play another verse</i>

01:16:06	<i>Know I'm the only one right now</i>
01:16:08	I will love you more When it all burns down!
01:16:11	<i>More than power, more than gold</i>
01:16:13	You gave me your heart Now I'm here for your soul
01:16:16	I'm the only one Who'll love your sins!
01:16:21	Feel the way my voice Gets underneath your skin!
01:16:26	<i>Listen cause I'm</i>
01:16:28	<i>Preaching to the choir</i>
01:16:29	<i>Can I get the mic a little higher?</i>
01:16:33	<i>Gimme your desire!</i>
01:16:35	<i>I can be the star you rely on</i>
01:16:38	Nae hwanholae chwihae You can't look away
01:16:40	<i>Don't you know I'm here to save you?</i>
01:16:44	<i>Now we runnin' wild</i>

01:16:45	<i>Yeah, I'm all you need</i>
01:16:47	<i>I'mma be your idol!</i>
01:16:49	Unh! Bichinaneun fame Gyesok oechoe I'm your idol!
01:16:52	Thank you for the pain 'Cause it got me going viral!
01:16:55	Oh yeah, naji anneun fever Makin' you a believer
01:16:58	<i>Nareul wihae neon jonjae haneun aideul</i>
01:17:00	<i>Living in your mind now</i>
01:17:03	<i>Too late 'cause you're mine now</i>
01:17:06	<i>I will make you free</i>
01:17:08	<i>When you're all a part of me!</i>
01:17:11	<i>Preaching to the choir!</i>
01:17:13	<i>Can I get the mic a little higher?</i>
01:17:16	<i>Gimme your desire!</i>
01:17:18	<i>Once we set your world on fire!</i>
01:17:21	Nae hwanholae chwihae You can't look away
01:17:24	<i>No one is coming to save you</i>
01:17:27	<i>Now we running wild!</i>
01:17:29	<i>You're down on your knees</i>
01:17:30	<i>I'mma be your idol!</i>
01:17:33	<i>Oh!</i>
01:17:42	We are Hunters. Voices strong.
01:17:46	Slaying demons with our song.
01:17:49	Fix the world and make it right.
01:17:53	When darkness finally meets the light.
01:17:56	You come here like this?
01:17:58	You think you can fix the world?
01:18:01	You can't even fix yourself.
01:18:03	I can't.
01:18:05	And now everyone finally sees you for what you really are.
01:18:10	They do.
01:18:11	And the Honmoon is gone.
01:18:15	It is.
01:18:17	So we can make a new one.
01:18:22	<i>Nothing but the truth now</i>
01:18:26	<i>Nothing but the proof of what I am</i>

01:18:31	<i>The worst of what I came from</i>
01:18:33	<i>Patterns I'm ashamed of</i>
01:18:35	<i>Things that even I don't understand</i>
01:18:39	<i>I tried to fix it</i>
01:18:41	<i>I tried to fight it</i>
01:18:43	<i>My head was twisted</i>
01:18:46	<i>My heart divided</i>
01:18:47	<i>My lies all collided</i>
01:18:50	<i>I don't know why I didn't</i>
01:18:52	<i>Trust you to be on my side</i>
01:18:59	<i>I broke into a million pieces</i>
01:19:02	<i>And I can't go back</i>
01:19:04	<i>But now I'm seeing all the beauty</i>
01:19:06	<i>In the broken glass</i>
01:19:08	<i>The scars are part of me</i>
01:19:10	<i>Darkness and harmony</i>
01:19:13	<i>My voice without the lies</i>
01:19:15	<i>This is what it sounds like!</i>
01:19:17	Why did I cover up The colors stuck inside my head?
01:19:22	I should've let the jagged edges Meet the light instead
01:19:26	<i>Show me what's underneath</i>
01:19:28	<i>I'll find your harmony</i>
01:19:31	<i>The song we couldn't write</i>
01:19:33	<i>This is what it sounds like!</i>
01:19:37	Stop this song!
01:19:41	<i>We're shattering the silence</i>
01:19:43	<i>We're rising, defiant!</i>
01:19:45	<i>Shouting in the quiet</i>
01:19:46	<i>"You're not alone!"</i>
01:19:48	<i>We listened to the demons</i>
01:19:51	<i>We let them get between us</i>
01:19:52	But none of us are out here On our own!
01:19:56	<i>So we were cowards</i>
01:19:58	<i>So we were liars</i>

PART 9 / 148 CUES

1:20:00 - 1:28:38

01:20:00	<i>So we're not heroes</i>
01:20:02	<i>We're still survivors!</i>
01:20:04	<i>The dreamers, the fighters</i>
01:20:06	<i>No lying, I'm tired</i>
01:20:08	<i>But dive in the fire</i>
01:20:10	<i>And I'll be right here by your side</i>
01:20:18	<i>We broke into a million pieces</i>
01:20:21	<i>And we can't go back</i>
01:20:22	<i>But now we're seeing</i>
01:20:24	<i>All the beauty in the broken glass</i>
01:20:27	<i>The scars are part of me</i>
01:20:28	<i>Darkness and harmony</i>
01:20:31	<i>My voice without the lies</i>
01:20:32	<i>This is what it sounds like!</i>
01:20:34	Why did we cover up The colors stuck inside our head?
01:20:39	<i>Get up and let the jagged edges</i>
01:20:41	<i>Meet the light instead</i>
01:20:43	<i>Show me what's underneath</i>
01:20:45	<i>I'll find your harmony</i>
01:20:47	<i>Fearless and undefined</i>
01:20:48	<i>This is what it sounds like!</i>
01:21:04	Your voices cannot defeat me!
01:21:14	No!
01:21:15	Rumi!
01:21:41	Jinu! No!
